AMENDMENT UNDER 37 C.F.R. §1.111

Sir:

In response to the Office Action dated October 23, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend claims 1 -7 as follows:

1. (Amended) A method of analyzing data in a center, wherein said data is obtained from an instrument measuring an object in a user system and sent through a communication network to the center, comprising:

accessing directly through said communication network to said center from said instrument;

sending measured data together with a required information from said instrument to said center;

judging whether said measured data is simple based upon a predetermined standard;
